

“Parents - do something or do nothing!” Fair Funding for Schools

“Schools, across the country face significant real terms cuts” Institute for Fiscal Studies

“Cheshire West is one of the biggest losers under this new funding formula” Nicole Meardon Cabinet Member CWaC Council

“Many schools will have to scrap courses to make ends meet” NAHT

“These cuts will strike at the heart of our local schools and will have a profound impact on the education that our children receive”
Justin Madders, MP

“98% of schools will be worse off by 2020” NUT

“The proposed funding formula will not deliver the money needed by schools to deliver the best possible education” Institute for Fiscal Studies

“Fewer staff will mean less individual attention and larger classes” NASUWT

“In the future, our decisions will be about cutting and reducing, not improving and progressing” A CWaC Headteacher

We are calling on all parents, carers and friends of our schools to help us. We are all up against it and we are all facing a funding crisis as a result of the proposed cuts.
