

As Mathematicians we will:

- Read and write numbers to 100 in numerals and in words.
- Recognise the place value of each digit in a two digit number
- Compare and order numbers from 0 up to 100
- Count in steps of 2, 3 and 5
- Recall and use addition and subtraction facts to 20 fluently
- Add and subtract using a variety of methods
- Recognise and use symbols for pounds (£) and pence (p) and solve problems involving money

As Geographers and Historians we will:

- Compare farms in England with farms in another country
- Draw a simple map of a farm, using a key
- Find out how farming in the UK has changed over time

As Computer Technicians we will:

- Use the i-Pads to create animations on Scratch

Year 2 Autumn 2017

FARMS

As Scientists we will:

CHEMISTRY

- Describe, compare and group materials
- Find out how different materials can be changed
- Investigate which materials are best for particular uses

BIOLOGY

- Find out about animals and their babies
- Describe the basic needs of animals

As Writers we will:

- Punctuate our sentences accurately
- Begin to work towards joining our handwriting
- Rewrite the story of the Three Little Pigs
- Write a story set in a farm
- Write letters to a farmer
- Write a recount about our trip to a farm
- Write instructions for baking bread
- Write a farm poem

As Artists we will:

- Develop our sketching skills and draw farm animals
- Learn songs celebrating the Harvest Festival
- Explore long and short sounds using our voices and percussion instruments
- Learn a sequence of movements to create a 'farm animal dance'

In RE we will:

- Learn about the Bible and listen to stories from the Old and New Testament
