

Chester Blue Coat CE Primary School

News Autumn Week 10

Doing everything in love, go and do likewise.

This week, we have continued to operate under increased regulations because of the situation with COVID. The increased regulations have seen a decrease in the number of new COVID cases, and the return of staff and pupils after isolation. We are continuing to work alongside the Public Health Outbreak Management Team and are reviewing procedures regularly to ensure that things continue to settle. Thank you for your support and kindness once again.

Christmas Performance Videos

The staff and children are busy preparing Christmas Performances. These have been incredibly challenging to do, with limited numbers of staff in some year groups and with enforced regulations of only 'outdoor singing' for some year groups as well! The videos will be ready for parents to view in the last week of term. They will be emailed to parents via We Transfer, as they will be too big for standard email. They will be for personal use only and should not be shared on any social media platform. Please email admin@chesterbluecoatce.cheshire.sch.uk if you need any further information or do not wish your child to be part of the video.

Chester FC ticket winner

This weeks' nomination for excellent application of our PE and Sport Values of teamwork, resilience, respect, self-belief and determination is Shie. Shie and her family will get the tickets for Chester's home match against Leamington FC.

Christmas Tree at the Cathedral

Don't forget, we are Tree Number 20 if you would like to go and visit. The Festival is open now and runs until Tuesday 4th January 2022. We hope you get to see it!

Chicken Volunteering

Thank you to the McHughs and the Carters for volunteering to help with the chickens this weekend. We still need some more for the following weekend and during the holiday. Please sign up on the link below. It really is simple to do and does not take a great deal of time. Any offers of help gratefully received.
