Autumn Week 12

This week, we can finally see the end of the tunnel. Although there are still a few COVID cases, the majority of staff have now returned and we can report no further cases within the staff. Fingers crossed now until the end of term!

We are all so disappointed that the usual Christmas events were not able to happen. Thank you to everyone who came to the Festive Quiz – it was a lot of fun and congratulations to the Brand family, who were the Quiz winners. Next week, we hope to have a very special visitor flying in to school and there will be the opportunity for the KS2 children to make the traditional Christingles as they normally do at this time of year. The children looked fabulous in their Christmas jumpers today and made £102 for Save the Children. Look out for the Christmas Performance videos that will be making their way to you next week as well. Maybe next year, we will have a normal Christmas term – third time lucky for Mr Hover!

Raffle

At the Quiz, first prize was four tickets to see Oliver Twist at the Storyhouse Theatre. This prize has been kindly donated back to school by the Brand family. So, we are offering this in a raffle ticket draw. To buy a raffle ticket, go to the office between now and the end of the day on Wednesday 15th December. Tickets are £1, one per family, and the raffle will be drawn on Thursday 16th December.

Drip Rainwater Harvesters

A huge thank you for your donations and sponsorship of the rainwater harvester. We have managed to raise enough for seven full harvesters, which is fantastic. This will go a long way to support families in our new link school in Uganda.

Mid-Day Assistant Vacancy

We are seeking a Mid-Day Assistant to cover lunchtimes in school. If you are interested in the post, or have any questions please contact the school office on 01244 455275 or email admin@chesterbluecoatce.cheshire.sch.uk.

Christmas Tree at the Cathedral – Year 3 visit

Year 3 were able to visit the Cathedral this week, to see the Christmas Tree Festival, especially our own school creation, Tree 20. There's still lots of time to visit if you get a chance.

Chicken Volunteering

Thank you to everyone who has volunteered to look after the chickens. The chickens now have a shelter, to ensure they are undercover and protected from avian flu. There are a couple of timeslots not accounted for over the holidays, so if you were able to offer your services, please sign up using the link below.
