North West Summer
CYBER SAFETY
WORKSHOP

for parents and children – in conjunction with
the University of Chester, O2 and the NSPCC.

2 Dates are available

Wednesday 3rd August 2016

10am – 3pm
The University of Chester - Thornton
Science Park, Pool Lane, Ince,
CH2 4NU.

Thursday 11th August 2016

10am – 3pm
The University of Chester - Warrington
Campus, Crab Lane,
Warrington, WA2 0DB.

Free to attend, bring along a picnic (lunch is not provided).

Each parent / carer is invited to bring along up to two children aged 7-11.

CYBER SAFETY
WORKSHOP

Parents come along and get information and advice from experts on how to keep your children safe online. Find out how to start having conversations with children about online safety. There's a lot to think about, like online games, cyber bullying and privacy settings. But with our workshops, you'll be a pro in no time.

Children come along and join in fun activities using games, music and drama with the theme of staying safe online and have a go at being a computer programmer.

You will get to hear from and do activities with the experts from the O2/NSPCC online safety team, the University of Chester, Cheshire Police, Cheshire Fire and Rescue Safety Central, the Regional and National Cyber Crime Units, Youth Fed and 2engage Performing Arts.
